COMPACT, PORTABLE WIPES

How a wipe is packaged, dispensed and delivered can be just as important as the type of material.

Absorbents for Less offers 3 unique wipe products that can be carried and dispensed in 3 different ways.

1 » 2-ply paper wipe is packaged in a compact, easy dispensing cardboard box.

2 » Pre-moistened degreaser wipes are a super heavy product that dispenses from a compact canister.

3 » Blue spunlace wipes offer a unique fold that allows for quick and easy dispensing from a compact cardboard dispenser box.
