CAUTION STAND KIT

A Unique Spill Control Solution That Combats
Slips, Trips And Falls And Cleans Up Spills!

Each Caution stand comes pre-assembled and loaded with 20 sorbent pads in each pocket

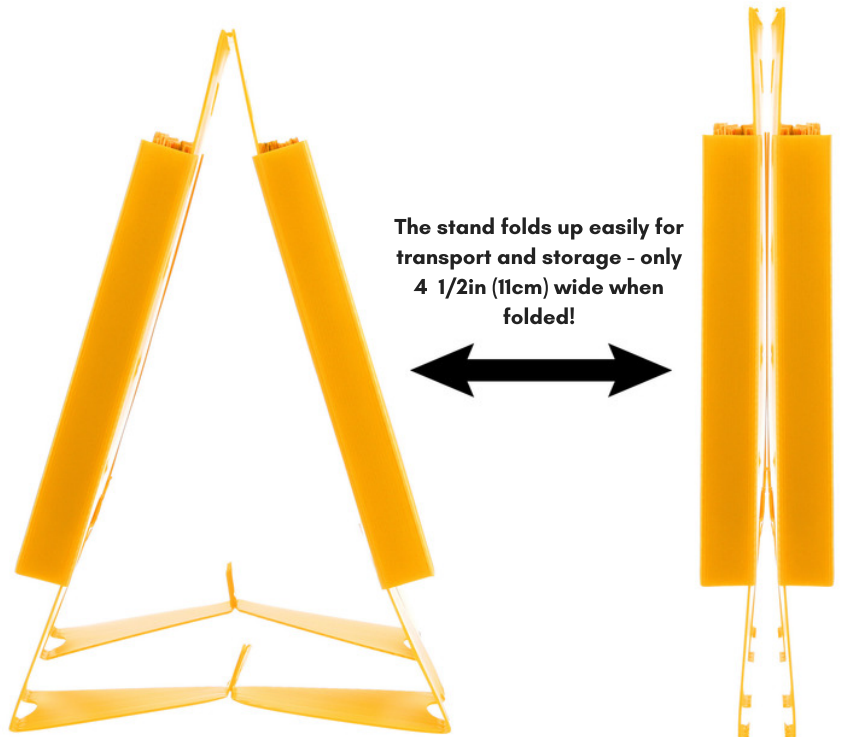

Slipfyter™
by Spilfyter®

CAUTION STAND

- Easier to use than mop and bucket - takes 1/3 of the time to respond and clean up a spill.
- Comes packaged & ready to go - simply remove from the box and set-up in desired area.
- Caution stand is constructed of durable yet light weight corrugate plastic - it is impervious to moisture!
- Convenient carry handle allows for easy transport, set-up and storage when not in use.
- High-Visibility print layer on absorbent pads is strong and tear resistant.
- Keep the stand and simply refill with more absorbent pads!

FRED SAYS:
Don't just bring
attention to a spill:
CLEAN IT UP!

Slipfyter™

HI-VIS SORBENT PADS

- High-Visibility print layer draws quick visual attention to the affected area is strong and tear resistant.
- Each stand contains enough sorbent pads to absorb up to 4 gallons (15 liters).
- Absorbs any water-based or oil-based liquid.
- Spunbond material is extremely strong and can withstand rigorous abuse from foot traffic.
- Absorbent pads provide for cut resistance during clean up – pick up small sharp objects such as broken glass or plastic!
- Won't tear apart when pulled or placed under equipment.

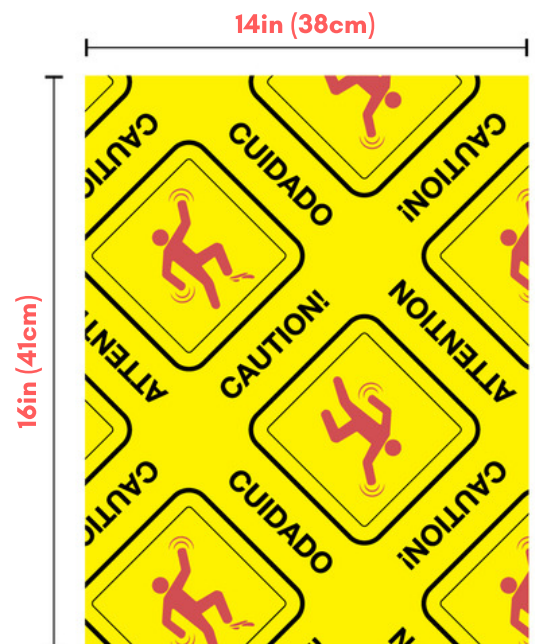

Don't just bring attention to a spill: CLEAN IT UP!

FRED SAYS:

**A caution stand alone isn't enough!
There's still fluids/spills that pose a hazard that need to be cleaned up!**
